**Treasurer's report:** Mike P. reported an income of \$9300.00 in dues. Unpaid lots are Robinson, Pastore, Meredith, Richard, Waguespack, Schexnayder. There are new owners at 1134 W. Lakeview, who have just moved in and have not yet been contacted.

**Expenses:** The Crawfish boil cost \$944.00 and we collected \$130.00 for guests. The carp cost \$1539.30. Mark charged \$350.00 for spraying. State Farm Insurance cost \$1543.00 and our most recent Entergy bill was \$208.24. All board members were given a Quicken Register report copy. There were no questions.

**Old Business:** Mike M. reported on the Hydrilla problem. They are good because they oxygenate the Lake but are bad because they can choke up the Lake making navigation difficult. Options: 1) Chemical treatment- expensive, not efficient, 2) Carp are genetically modified but can grow to 20 – 30 pounds, 3) Drawdown will be helpful, 4) Duckweed can be treated, with the 3<sup>rd</sup> or 4<sup>th</sup> treatment done earlier today.

Neighboring lake (Iberville Terrace) was suction dredged. Results will be monitored (Mark working on it).

Oak Hills Lake is basically a retention pond. We need creative ways to deal with problems.

New Business: Devera Goss has issues with the levee looking bad. Mike P. to get with Devera to form an ongoing committee to work the levee. Mike P. volunteered to do it himself. There was discussion about bamboo growth across the street from the Lake.

New Residents are Brad & Katherine Musso (Sealann's house), Kevin & Krystalin Schexnayder, and 1134 W. Lakeview.

The next meeting will be on Tuesday, October 11, 2022, at Jackie Lauve's house.

The annual meeting will be on Monday, October 24<sup>th</sup> at Mary's house.

With no further business, the meeting was adjourned.
